

Ranjit Sabikhi, ARIBA, FIIA

Principal, RSA – New Delhi

Ranjit Sabikhi has been in practice as an Architect in New Delhi since 1961 and has had a wide variety of experience in architectural education, architectural practice and urban design. He taught at the School of Planning & Architecture in New Delhi from 1959 to 1975 and has also been a Visiting Critic to the Urban Design Program at GSD Harvard University and the School of Architecture at Washington University St. Louis. His architectural experience includes a two-year stint with Chamberlin Powell & Bon in London where he worked on the Golden Lane Housing project and early concept designs for the Barbican. As a principal in his own practice from 1961 onwards he has worked on substantial projects in India as well as in the Middle East and in South East Asia. Major works include educational institutes, housing, hotels and embassies. His work has been professionally recognized by awards and has also been included as part of international exhibitions on Indian architecture. He has participated in several international conferences and has also served as a member of the jury for major projects including the design of the New World Bank HQS in Washington D.C.
